

2017-2018 High School Varsity Hockey Season

Welcome to the new ADK Rivermen High School Hockey program!

As you know, the varsity High School hockey programs have been part of our communities for many years. This year will be like no other. We have combined South Glens Falls, Glens Falls, Hudson Falls, and now Warrensburg to play as one ADK Rivermen team. In addition to the fundraising events that we have planned for the year, we are asking local businesses to help support High School hockey with any generous donation that you can offer.

The ADK Rivermen would like to THANK YOU for your consideration and support. Please join us at our home games at the Glens Falls Recreation Center, visit our team website for more information, and check out our game schedule at www.rivermenhockey.com.

Your donation is tax deductible. The ADK Rivermen Association is a non-profit 501-39c organization. 100% of the funds raised by the team go directly to support the costs associated with the team and team events. As a thanks for your support, your business name will be printed on all of our game programs and announced at our home games.

The mission of the ADK Rivermen Association is to support and manage the financial affairs of the ADK Rivermen Hockey Team. The existence of this team allows High School students from South Glens Falls, Glens Falls, Hudson Falls, and Warrensburg an opportunity to continue playing organized hockey as part of their High School experience.

WE APPRECIATE AND THANK YOU FOR YOUR SUPPORT!

Please return this form to:

ADK Rivermen Hockey Association

c/o Glens Falls High School

Attention: Chip Corlew

10 Quade Street

Glens Falls, NY 12801
